MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Participation in the JCS-DIA Orientation No. 16

1. I am delighted that you will be able to give the closing remarks in the JCS-DIA Orientation No. 16 at 1545 hours on Wednesday, 7 June 1972, in Room 1A-07, Headquarters. Attending this two-day orientation will be about 30 senior officers and civilians from JCS and 30 from DIA.

2. We have left the time for your presentation open-ended. You may wish to speak for about 10 minutes and then conclude with a question and answer period of about 20 minutes. I think it would be most appropriate for you to comment on the importance of inter-Agency relationships, particularly under the new arrangement. You may also wish to focus on some of the major management problems facing the Agency and the Intelligence Community today.

3. A copy of the JCS-DIA Orientation Program is attached. The program includes some information on the history of the orientation (Tab A), the schedule for the Orientation (Tab B) and a list of the student nominees (Tab C).
